

PEEL TOWN

Isle of Man Orienteering Klubb Urban Orienteering Challenge - Course A

Activity Challenge

You have to navigate to locations marked on your orienteering map and to match as many of the features photographed at these locations.
Record your answer on the scorecard by writing the letter found on the top left-hand corner of the photograph against the location number.
e.g. number 2 location is photograph A - write A in box 2 on the scorecard.
You can start and finish from any location on the map.
Answers can be found on the Isle of Man Orienteering Klubb website.

0 metres 250m

Important notice to users of this map

- * Users of this orienteering map within Peel Town do so entirely at their own risk and they accept that Orienteering is an adventurous activity.
- * All reasonable care must be taken when using various areas of Peel Town and you are responsible for your own safety as there are no closed off areas for this activity.
- * Please be aware of moving and parked vehicles, cyclists, pedestrians, dog walkers, seating areas and people using facilities around the town.
- * Please respect others users of the town and pay attention to public and safety notices.
- * Be advised that not all features are marked on this map due to the changing nature of the town and there is no access to private property.
